Acknowledgment

This dictionary of machine learning evolved through the development and teaching of several courses, including CS-E3210 Machine Learning: Basic Principles, CS-C3240 Machine Learning, CS-E4800 Artificial Intelligence, CS-EJ3211 Machine Learning with Python, CS-EJ3311 Deep Learning with Python, CS-E4740 Federated Learning, and CS-E407507 Human-Centered Machine Learning. These courses were offered at Aalto University <https://www.aalto.fi/en>, to adult learners via The Finnish Institute of Technology (FITech) <https://fitech.io/en/>, and to international students through the European University Alliance Unite! <https://www.aalto.fi/en/unite>. We are grateful to the students who provided valuable feedback that helped to shape this dictionary.
